

APPLICATION FOR AN ONGOING WATER EXEMPTION

An owner or trainer of a greyhound may apply for exemption from the mandatory requirement to provide water to a greyhound confined in race day kennels. Any request for exemption must be made in writing using this form to the Chief Steward, and must relate to a specific greyhound. The owner or trainer must provide evidence supporting the application. An exemption will only be granted where the risk of water in the greyhound's kennel outweighs the risk of dehydration.
