

# The Inside Rail

## HOW TO....

### Register a greyhound as a breeding female

1. Apply for a DNA testing kit through Greyhounds Australasia: [www.galtd.org.au](http://www.galtd.org.au).
2. Download the 'Application to Register a Greyhound as a Breeding Female' from the GWIC website: [www.gwic.nsw.gov.au](http://www.gwic.nsw.gov.au).
3. Take your application form to the vet so they can perform a health and fitness check and attach a current C5 vaccination certificate.
4. Send the completed application to: [registration@gwic.nsw.gov.au](mailto:registration@gwic.nsw.gov.au).
5. A pink greyhound identification card will be sent to the breeder, and breeding can commence.

## Health advice

### Contact the GWIC Vets

If you have questions about your greyhound's health, prohibited substances or other welfare concerns, you can contact the GWIC vets at:  
[vets@gwic.nsw.gov.au](mailto:vets@gwic.nsw.gov.au)

### DID YOU KNOW ?

Retirement notifications must be submitted to GWIC within 14 days of retiring your greyhound.

Even if you retire your greyhound through GAP.

For assistance, call 13 49 42.

Meet Chloe & Alanna, GWIC's new Greyhound Registration Officers, who travel the state ear-marking and microchipping your greyhound pups.

## Get your applications and notifications in early!

The GWIC Registration & Welfare team are moving onto the new eTrac system in July/August 2022, which may result in some processing delays.

If you have any applications or notifications that need processing around this time, please submit them as early as possible.

If you require assistance, please call us on 13 49 42 (13 GWIC).

### eTracking now live!

We are now able to monitor and record the whereabouts of every greyhound registered in NSW, in real time, at every stage of its life.

### Participant eTrac portal - late August

The portal will provide participants access to their registration and greyhound information, as well as taking all registration transactions online making them quicker and easier to complete.
