YES → Complete the 'Retirement notification' form and return to GWIC → YES → Provide GAP with information about their new greyhound

NO → Seek the greyhound's admission into GAP or other re-homing organisation for a second time → Was the greyhound's admission successful?

YES → Complete the 'Retirement notification' form and return to GWIC → YES → Provide the rehoming organisation with information about their new greyhound

NO → An owner may consider euthanasia only if the above steps have been followed.

The owner must submit to GWIC:

- Intent to euthanise a greyhound notification (10 business days prior to euthanasia)
- Euthanasia of greyhound - by vet notification form (within 2 days after euthanasia is performed)

Owners that are rehoming a greyhound to a person or organisation not registered with the Commission, are required to desex the greyhound before being rehomed. Owners can access financial assistance through GRNSW's Homing Assistance Scheme to help with the costs of desexing, dental and booster vaccinations.

If you have any questions about the steps outlined above or the Greyhound Re-Homing Policy, please contact the Registration & Welfare team on 13 49 42.
