

List of mandatory and permitted gear for greyhounds racing in NSW

Gear, as defined by the Greyhound Racing Rules, means any strapping or equipment (including a muzzle) permitted to be applied to a greyhound in connection with the kennelling, presentation for or competing in an Event. As a controlling body, the Commission has compiled a list of items considered mandatory or permitted gear to be applied to a greyhound in connection with kennelling, presentation for racing or trialling.

MANDATORY gear **must be** applied to the relevant greyhound when on a racecourse.

PERMITTED gear **may be** applied to greyhound on a racecourse, following application of the trainer and approval by GWIC.

Any questions about the contents of this list should be directed to the GWIC Steward.

Mandatory	
Item	Note
Lead (pre and post-race only)	Or rope which provides effective control of the greyhound in a public place or licensed racecourse.
Muzzle (non-barking muzzle)	Racing muzzle must be properly fitting, and made from wire or plastic.
Water bowl	With clip for attachment to the kennel, unless the greyhound has an official exemption, then the water bowl must be removed. The water bowl must be applied to a greyhound i.e. a trainer must give a greyhound access to it during kennelling.

Permitted		
Function	Item	Note
Greyhound coverings	Bandages/Vet wrap - during a race (if approved)	If approved by a steward, that greyhound must race in the designated bandages. These are not permitted in kennel bays.
	Blinkers – single or double (if approved)	If recorded as 'approved' by steward on greyhound's weight card, that greyhound must race in the designated blinkers.
	Compression suits	Pre and post-race only.
	Cold weather jackets/rugs	Before, during and after kennelling and parading to

		boxes, but to be removed for racing.
	Cooling vests	Pre-race and/or post-race only for a maximum of 60 minutes each period. Cooling vests must not be used in place of actively cooling the greyhound.
	Harness	Clip-off models only.
	Head halter/nose-strap	These must not restrict the greyhound from fully opening its mouth to allow the dog to pant and remain cool.
	Rain coats	For parade to boxes but to be removed before race.
	Toe bands (if approved)	If approved by a steward, that greyhound must race in the designated toe bands.
Kennel provisions	Blanket/towel	For the greyhound's comfort and not to be placed on top of the kennel.
	Mattress	For the greyhound's comfort.
Other	Bandages (other than during a race)	Not to be worn during the veterinary examination prior to kennelling, and not permitted in kennel bays.
	Collar	Pre and post-race only.
	Grease, Petroleum Jelly or Talcum Powder.	Only those provided.
