Privacy disclosure: the use, collection and disclosure of your personal information

GWIC respects your privacy. In relation to your application for stud dog registration, GWIC collects personal information from you in order to assess the application and, if approved, to manage and supervise the activities of the stud dog and your activities as a participant in the greyhound racing industry. To do that, GWIC may disclose personal information about yourself, the stud manager, the stud dog and/or the owner of the stud dog to other persons or other organisations including law enforcement bodies, state governments, other licensing authorities and racing authorities, clubs and controlling bodies (located within and outside of Australia).

You do not have to supply the information requested in this application but if the information (or any part of it) is not provided, your application may be rejected by GWIC.

By completing and submitting the application and any supporting documentation, you hereby authorise GWIC to collect, use and disclose the information contained in this application and any supporting documentation and/or to disclose any information about the stud manager, the stud dog and/or the owner of the stud dog for the purpose to the persons/organisations described above.

I declare that I have read and agree to be bound by the above privacy disclosure.
