

UPDATE #3

3 SEPTEMBER 2018

Update #3 includes information on the Commission's Internal Review Process, registrations, participant ID cards, the Commission's welfare and integrity program for the Million Dollar Chase, and a visit from the Commission's friend Sunny.

Internal Review process

The *Greyhound Racing Act 2017* (NSW) introduced the process of 'Internal Review' which allows greyhound racing industry participants to apply to the Commission to have certain decisions reviewed.

The Internal Review process is separate from and does not replace the existing avenues of appeal to the Racing Appeals Tribunal. It is an additional avenue of review for greyhound racing industry participants.

Million Dollar Chase events

A new welfare and integrity program has commenced for the Million Dollar Chase event series to ensure the highest standards of welfare and integrity are maintained.

The Commission will have more vets and stewards at race series events, increase swabbing tests taken, and ramp up kennel inspections for those likely to compete.

Registrations and participant ID cards

All registrations rolled over from GRNSW on 30 June 2018, will now be extended until 30 June 2019. The Commission will send all participants a sticker in September 2018 to attach to the back of their GRNSW ID card to verify it as current.

All new registrants will receive a GWIC ID card once their registration has been processed.

Re-homing Policy applies to all greyhounds

The Commission's Re-Homing Policy applies to all greyhound associated with the greyhound racing industry in NSW.

The policy ensures participants are considering a number of options for greyhounds no longer suitable for racing before euthanasia can be considered.

More information regarding the Re-Homing Policy is available on the Commission's website.

Sunny visits GWIC in Bathurst

The Commission's mascot Sunny visited our 'dog friendly' Bathurst office recently. Sunny assisted with the opening of the office in April so it was great to see him again. Sunny loved the office and meeting GWIC staff!
