

Application for an ongoing water exemption

An owner or trainer of a greyhound may apply for exemption from the mandatory requirement to provide water to a greyhound confined in race day kennels. Any request for exemption must be made in writing using this form, and must relate to a specific greyhound.

This application requires endorsement by a GWIC steward, who must sign this form prior to being submitted.

An exemption will only be granted where the risk of water in the greyhound's kennel outweighs the risk of dehydration.
