

Pannus notification form

This form is to be completed to notify the Commission when you use prednefrin eye drops in the contact of pannus (chronic superficial keratitis or superficial keratitis) in a greyhound. Prednisolone and its metabolites are prohibited substances when present in greyhounds and the use of prednefrin eye drops has not been registered with the Commission.

Rule 13(1)(h) of the Greyhound Racing Rules provides authority for the Greyhound Welfare & Integrity Commission to ask you for information in relation to your greyhound.
