6. Verbal update from GWIC

- Tiered Registration Program
 - The Commission is considering conducting an anonymous survey to assist in the development of this initiative. The draft survey will be sent to GIPAC members with a request for feedback regarding the proposed survey questions.
- Drake Inquiry
 - The Commission has not yet received the report.
- GRNSW track audit
 - GRNSW is conducting a track audit process. The Commission has no advance insights on this.
- American muzzles
 - Some participants are modifying American muzzles which is not permitted. Photos will be shared with GIPAC.
- BAU
 - Traceability - a lot of work is being done in this area.
 - NPR – the developers continue to make improvements; further testing is being conducted. We may contact GIPAC members for assistance with field testing.
 - Annual Report – is being finalised. It will then be submitted to the Minister for tabling in Parliament

GWIC Industry Participant Advisory Council

- The Inside Rail is issued monthly. Please notify the Communications team/Alex if there are matters you think the broader industry/public should know.

7. Traceability & draft Greyhound Check- in Policy consultation

- Traceability presentation – noted
- Feedback on the draft Greyhound Check-In Policy is welcome
- The eTrac page on the website has been updated and FAQ added.
- The Commission is looking into whether documents uploaded into eTrac by a Participant can be accessed by them at a later date. There are some technological complexities around this.

8. Digitisation of the greyhound health book

- Presentation – noted
- Participants will have the option to update a greyhound's health record on-line. Hard copy books will still be available.
