New Commissioner

Fiona Jolly has been appointed GWIC Commissioner until January 2028. Fiona is an experienced Chief Executive Officer, Non-Executive Director and legal practitioner.

That rings a bell! An eTrac reminder

To help you stay on top of any pending transactions, such as greyhound check-ins or due payments, we've added a new notification bell icon to the eTrac portal. Just look for the bell and click on it to see further details and your next steps.

Welfare milestone

Our greyhound injury report for the period 1 October to 31 December 2025 shows the rate of on-track death or euthanasia is at its lowest level on record.

Bringing you weather updates

Heavy rain, extreme heat flooding, damaging winds, hailstorms - when it comes to ensuring the wellbeing of your greyhounds, awareness of severe weather predictions is important. That is why GWIC's facebook page publishes weather notifications which may impact participants. Follow our page at www.facebook.com/gwicnsw to stay informed.

Part 7: Exercise, Socialisation and Enrichment

Participants must have a written plan detailing how exercise, socialisation and enrichment standards will be met for all of the greyhounds in their care. To help we've developed a template, which can be found on [our website](#) or by scanning the QR Code.
